## Dear Brothers of Kappa Kappa Psi:

It is with great pleasure that I humbly submit my packet for the Kappa Kappa Psi Alumni Board of Directors. Since becoming a brother of the fraternity in 2012, I have had the pleasure to serve both our actives and alumni on many different levels. If given the honor to continue to serve, I hope to do so as a member of the Alumni Board.

Throughout my time as a brother of Kappa Kappa Psi, I find that I excel by working closely with chapters both in and outside of my district and planning programming for conventions. With the enthusiasm and love, I have for Kappa Kappa Psi, I hope to serve as the Local Alumni Association (LAA) chair. My experience working successfully with brothers outside of my chapter and outside of my home district of the Southeast has allowed me to gain the knowledge needed to serve dutifully for this position. As the LAA chair, I hope to support the current alumni chapters as well as provide resources to pave the way for the establishment of more alumni associations.

As an active, I served as the corresponding secretary for the Kappa Beta Chapter at Clemson University for the majority of my time. The one year I did not serve as the corresponding secretary, I served as the Vice President of Membership for Kappa Beta. During my time with Kappa Beta, my chapter successfully hosted the District Leadership Conference in 2016, won multiple district awards, and was a finalist in the William Scroggs founders Trophy in 2017. While in these positions, my love for working with other chapters, creating connections between brothers, and strengthen the bond in The Brotherhood grew. I strive to help create stronger bonds through networking, fellowship, and communication. As the LAA chair, I will use these experiences to strengthen the alumni bond as we move into the future of our fraternity.

If selected as a member of the board, I hope to utilize my previous experience with programming to enhance the board's work. As the past Southeast District Alumni Association Programs chair, I established scholarships that benefitted both alumni and active brothers. These scholarships gifted the recipients funds to help with travel to both District and National Conventions from 2018-2022. I also created and presented multiple workshops at Southeast District. As the Program Chair, I strongly encouraged those who have presented a workshop or had a specialty that benefitted The Brotherhood to allow us to give them a platform. With this platform, the brothers of the Southeast were able to seek guidance from medical doctors, small business owners, and state employees. As the current Kappa Kappa Psi Alumni Association Programs Committee chair, I work with fifteen other deeply devoted brothers for the betterment of the alumni association's current and future programming. We provide workshop ideas to the Board of Directors that will benefit the alumni brothers at conventions as well as invite alumni to continue to come to district and national conventions thus staying active within the fraternity. We also modify as needed the current programming so as they can continue to benefit our brothers

Thank you for your time and consideration. If you have any questions for concerns please feel free to reach out to me via email ([biberstonb@gmail.com](mailto:biberstonb@gmail.com)).

AEA,

Brittany B. Biberston  
Life Member, Kappa Beta Chapter  
Programs Committee Chair, Kappa Kappa Psi Alumni Association  
Kappa Kappa Psi Young Alumni Recipient 2019-2021

Brothers of Kappa Kappa Psi,

It is my pleasure to write this letter of recommendation on behalf of Brittany Biberston as she seeks election on the Kappa Kappa Psi Alumni Association Board of Directors. I have had the honor of working with Brittany in a variety of roles. She is detail-oriented, passionate, and an exemplary candidate for this role.

Brittany was initiated into the Kappa Beta Chapter at Clemson University in 2012. Since becoming a brother, she has served her chapter, the Southeast District, National Chapter, and the Alumni Association in a wide range of roles, including Vice President of Membership, Corresponding Secretary, Programs Chair, and as a delegate at multiple Southeast District Conventions and at National Convention. Brittany is a well-rounded brother and excels in the many operational aspects of our fraternity.

As an alumna of Kappa Kappa Psi, Brittany has been a leader and a role model in the Southeast District Alumni Association. Since her election to the SEDAA Board in 2018, Brittany has planned alumni events at several district conventions. From programming to social events, Brittany has constantly striven to provide a pleasant and helpful social experience for all alumni. She also handled the transition to virtual programming in conventions with grace, providing opportunities for SED alumni brothers and sisters to learn and grow both as individuals and as brothers and sisters. Having served with her on the SEDAA Board for two years, I witnessed firsthand how professionally Brittany handles herself and the expectations she sets for those who work with her.

I have also served with Brittany on the National Alumni Association Programs Committee with her since its inception in 2021. This committee has planned two national conventions' worth of programming and social events, developed an alumni mentorship program, evaluated programs for their diversity, equity, and inclusion, and countless other tasks. Brittany has handled every charge, side project, and bump in the road with equal amounts of grace and professionalism. She has facilitated discussion not only within the committee, but with other members of the AABoD, alumni in professional roles, and between different committees. She has gone above and beyond to hold all brothers accountable while helping guide them in whatever capacity she can.

Brittany is a leader, a facilitator, a friend, and a brother. She cares deeply about the work we do as brothers and wants to create opportunities for growth and development wherever possible. She has handled many stressful situations with patience and poise. She takes pride in all we do as alumni and wants to spread that to all she comes in contact with.

It is for these reasons I deem Brittany Biberston noteworthy as a candidate for the Alumni Association Board of Directors.

To the Brothers of Kappa Kappa Psi:

It is with much enthusiasm that I write this letter to recommend Brother Brittany Biberston of the Kappa Beta chapter to serve as a director on the Kappa Kappa Psi Alumni Association Board of Directors (AABOD). This letter will cover my experiences with Brittany as a Brother thus far.

Brittany and I met briefly during undergrad when our rival football teams would play against each other, but it was not until the 2015 National Convention where our friendship began to flourish to what it is today. Brittany was an exemplary Brother for the Kappa Beta chapter and it was evident due to her consistent poise and leadership. The Brothers of that chapter looked to her for guidance through tough circumstances because she was always objective and empowered everyone to strive for the highest.

We served as delegates for our chapter and have since traveled to every SED convention together. After joining the Southeast District Alumni Association (SEDAA) in 2017, Brittany and I were elected to the Executive Board in 2018. Brittany was integral in the growth of SEDAA both internally and externally. She worked tirelessly as our Programs Chair to make sure that we delivered quality workshops at conventions that were relevant to our members and society at the time. In addition to her work with SEDAA, Brittany has served as the Chair of the AABOD Programs Committee for several years now.

Brittany is purposeful in every decision she makes and always puts the interest of the group before herself. Even when her personal life was filled with uncertainty, Brittany always stayed true to her commitment and that dedication was such an inspiration to see. She truly is one of the best Brothers this organization has seen and can help take the Alumni Association to new heights with a position on the AABOD.

Brittany has my highest recommendation to serve as a director on the Kappa Kappa Psi Alumni Association Board of Directors. I am honored to call her a Brother and friend. If you have any questions about my experiences with Brittany, please reach out via email ([sabariok@gmail.com](mailto:sabariok@gmail.com)).

Sincerely,

Kadeem Sabari

To the Brothers of Kappa Kappa Psi:

It is with pleasure that I write to recommend Brittany Biberston from Kappa Beta (Clemson University) chapter to serve as a Director of the Kappa Kappa Psi Alumni Association Board of Directors. As Sponsor of Kappa Beta, I have seen first hand how Brittany is perfectly suited to serve the Alumni of Kappa Kappa Psi in this leadership role.

Brittany was initiated in 2012 and immediately became a leader within the Fraternity, serving as President of her Membership Education Program class. During her active time within Kappa Kappa Psi, she served as Corresponding Secretary twice, Vice President of Membership and Ritual chair. She also served as Chair of the Chapters' District Leadership Conference committee. Brittany also showed her character a Dan leadership being chosen to serve as Captain of the Tiger Dancers in Marching Band and as a piccolo player within basketball Pep Band and a flute player in the University Concert Band.

Brittany has continued to serve Kappa Kappa Psi as an Alumni, working as an officer of the Southeast District Alumni Association, then with the Programs committee with the National Alumni Association. Her experience with Actives and Alumni across the country gives her a unique and qualified position to serve the Alumni of Kappa Kappa Psi and the highest level

I wholeheartedly recommend Brittany to serve the Alumni of Kappa Kappa Psi. Please don't hesitate to contact me at [Jerome.jackson@charter.net](mailto:Jerome.jackson@charter.net) if you have any questions.

Sincerely,

Jerome Jackson
